Subject: Your help is needed

Dear Friends:

Eben-Ezer Haitian Baptist Church of Westbury is a religious, tax-exempt organization recognized under section 501(C) 3 serving the growing Haitian population of Westbury. Besides spiritual needs, the organization seeks to improve the social and economical conditions of its members.

Now, the church administration is facing a great challenge. The one room temple is dilapidated. It also becomes too small because of membership growth. Several people from Haiti, displaced by the earthquake of January 12, 2010, become members of the church. On several occasions the children and some members are forced to stay outside to accommodate visitors. The administration wants to enlarge the place of worship, but it cannot because of lack of parking spaces to meet the town requirements. The only option, that the church has, is to sell the property to

buy a larger one. Now the property is up for sale. The church needs your congregation financial supports and your personal help. Please, help us to buy another place of worship for the glory of the Lord Jesus Christ! Donations may be made payable to: Eben-Ezer Haitian Baptist Church of Westbury. For more information about the condition of the building and for making a donation log into: [www.ebenezerofwestbury.org](http://www.ebenezerofwestbury.org) and click on donations in the welcome page. You may also contact Rev. Duval Denis, the pastor at 516-876-8407 or Brother Phanex Gene, the secretary at 516-410-6307.

Thank you in advance for your support! May the Lord bless you!

Sincerely,

Rev. Duval Denis  
Pastor

Bro. Phanex Gene  
Secretary
